

HT-AS1100 AUTO ADJUST SANDER (70x198MM)

SPECIFICATION:

Length:	8"(198mm)
Width:	3"(70mm)
Height:	3.8"(96.5mm)
Weight:	0.38kg(0.84 lb)

In cases of severe curvatures, for best results, place sanding sheet onto your work area, so the sanding sheet can mold to its curves. Then Press the sander onto the sanding sheet from one end to the other in a rocking motion.

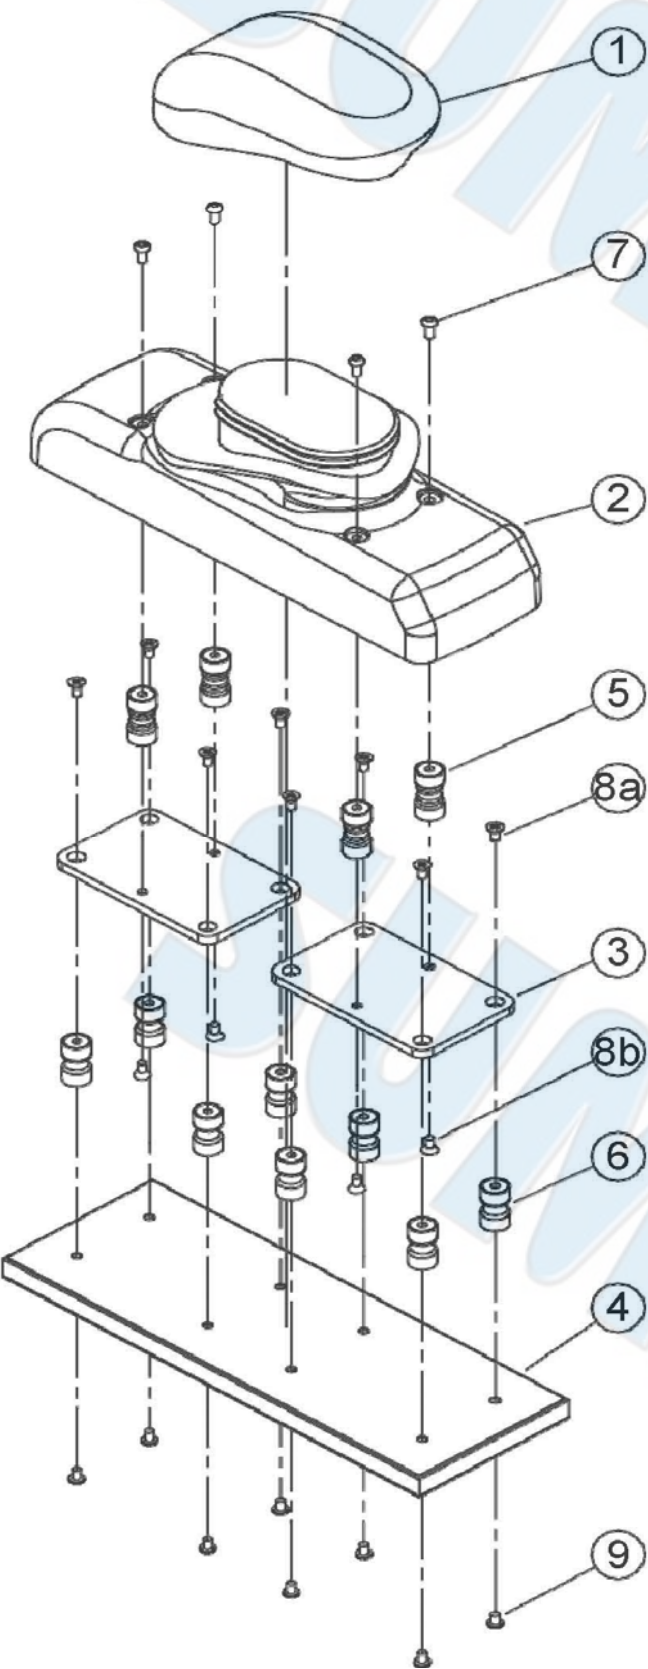

For surfaces without severe curvatures, place sanding sheets directly onto the sander.

HT-AS1100-I-1811A-XP
